

Emergency Closings

The Library may close, close early, or postpone opening when weather conditions exist that make travel dangerous. The primary factor for this decision will be the safety of the staff and the library users. Maximum effort will be made to maintain regular library operating hours.

Emergency closings due to building problems such as power outages, flooding, or other situations may occasionally happen.

Decisions to close will be made by the Library Director after consultation with the Library Board president or other officer of the Board.
